

Good Morning,

For the attention of Ms. Sophie Dunstone

I represented the Australia Sangha Association yesterday and was grateful for the opportunity to assist the Inquiry.

Senator O'Neill asked me to clarify as to whether a hospital that I mentioned was a Catholic Hospital, or a Christian Hospital of another denomination. I said I would confirm which one and respond.

I can confirm that it was a Christian Hospital of another denomination.

Thank you to the Committee and supporting staff who are working so hard and thoughtfully on this important matter.

with kindness,

Venerable Mettaji
