Good Afternoon

I undertook to provide more evidence to the inquiry regarding 2 matters, firstly, the uptake of Aboriginal people with Disability into the NDIS in WA, and second, information relating to Aboriginal people with disability and section 9 of the Sentencing Act WA, 2012, (I think this is the date of amendment to the Act) and the number of Aboriginal people with Disability who plead guilty to receive the 25% bonus on sentencing, disregarding innocence.

I regret to advise, I am unable to provide the information requested due to a non response from the relevant agencies and organisations who would hold the information needed.

I hope this does not impede the outcome of the inquiry or the evidence we did supply in any way.

Thank you for your understanding in this matter.
