

Dear Tegan,

Thank you for reaching out to us. I'm sending this response to Senator Pocock's questions on behalf of Bushfire Survivors for Climate Action (BSCA), as Ms Joyner is busy travelling at the moment.

As of Monday 27th October 2025, no one at BSCA holds an APH sponsored pass - however:

- **In the past BSCA President Jo Dodds has held a pass sponsored by her local MP Kristy Bains (Eden-Monaro).**
- **Our CEO Serena Joyner has just had a pass approved and will pick it up within days. That pass was sponsored by her local MP Susan Templeman (Macquarie)**

Please don't hesitate to reach out to us further if we can do anything else to assist with the Inquiry.

Thank you for your work on this important matter. Kind regards, Angela
