Hi Sir ,

As I spend my peak years of my life in Australia. I studied here more than 2 years , paid a lot of fees and applied for GSM. I am waiting from last one and half year for my visa decision. I bought all the household things and car and everything. On this stage if you terminate my application, I cant believe that. It is my future and if you do so, it mean you are playing with my future , it will spoil my and my family life. If your plan was to do that then why you didn't let us know before couple of years.

It is a humble request from you to finalize all the axisting GSM application.

Thanks Sahab
