Dear Committee Secretary

Do Not Call Register Legislation Amendment Bill 2009

I respond to the invitation to provide a submission to the Inquiry and offer the following comments.

While I strongly support the amendments, I contend that the 'Do Not Call' restrictions should be extended to cover all Australian telephone numbers and fax numbers. I also maintain that charities, which are now the main offenders, should be required to comply with these restrictions on unsolicited telemarketing calls and/or faxes.

Yours sincerely
