Dear Secretary

**Building and Construction Industry (Improving Productivity) Bill 2013 and
the Building and Construction Industry (Consequential and Transitional
Provisions) Bill 2013 Inquiry**

Please be advised that the Maritime Union of Australia adopts and supports the submission of the Australian Council of Trade Unions to the Senate Education and Employment Legislation Committee Inquiry into the Building and Construction Industry (Improving Productivity) Bill 2013, and the Building and Construction Industry (Consequential and Transitional Provisions) Bill 2013.

The Maritime Union of Australia would welcome an opportunity to appear before the Inquiry and provide oral submissions regarding its particular concerns about the Bills, including the proposed application to the supply and transport of building goods, and to the offshore oil and gas industry.

Yours faithfully

Paddy Crumlin
National Secretary
