Re: Redress for ALL States

- 1 my childhood in ~~an~~ Victorian Government/
Church sponsored INSTITUTION does not leave me
with good memories to the contrary. Those
Honorable physical/emotional pain leaving
me now as an Adult to deal with.
Robbing me of life skills ect ect.
- 2 I had uploaded my Painful memories
to Well Established Law Firm in Victoria
but AFTER waiting 2 yrs. but nothing came
of IT, As they were only Focusing on
Serious Sexual Abuse, all other abuses
were disregarded.
- 3 So going down that legal path fell on
deaf ears.
- 4 So I turned to the Federal Government
by writing personally to the Prime Minister
the Hon Kevin Rudd. at last he
had the guts & the Fortitude to
Apologize to All Forgotten Australians

5 Why is it That Some Water Authorities
CAN act on Sedron and Not Vittoria's
or M-SIL.

Where is the Concavity of this Nation
of the Shameful Part that has
caused 1000's & better, and
Not Address A "Full Closure" to
all of us as helpless children, under
Brutal Control. of Adults who were
so cruel, leaving us all with
Psychological damage. practically for life.

6 Proper Sedron of Government Compensation
would go a long way in Healing. in
regards ~~for~~ to All physical abuse
and Not signed out just one kind of
Abuse as did SA Government. which I
am Appalled.

The Federal & State governments should
settle this matter (once & for all)
and take a stance on the Abuse
Issues like they have done overseas
where governments have suits were
placed on the Heads of these
perpetrators.

IT'S TIME FOR FULL
Closure NOW! AND NOT PREVENT THE
PAIN of Abuse any longer.

Yours Sincerely
