

Senate Standing Committee on Education and Employment
ANSWERS TO QUESTIONS ON NOTICE
Department of Industry, Science, Energy and Resources
Payment Times Reporting Bill 2020, and the Payment Times Reporting (Consequential
Amendments) Bill 2020

AGENCY/DEPARTMENT: DEPARTMENT OF INDUSTRY, SCIENCE, ENERGY AND RESOURCES

TOPIC: Staff working full-time on payment times register

REFERENCE: Question on Notice (Hansard, , Page number 56)

QUESTION No.: 1

Excellent. Thank you. This concludes today's proceedings and the committee's inquiry, but I do have one follow-up question from Senator Pratt. Mr Cully, you said there are 10 staff all up. Can you confirm on notice if the other nine will be working full-time on the payment times register? If you don't understand that, I'll get Senator Pratt to put it in writing to the secretariat and provide it to you also. That will be on notice.

ANSWER

The Department confirms that the ongoing operation of the Payment Times Reporting Regulator will be supported by 10 Full Time Equivalent departmental staff.
