

Dear Sir/Madam,

I writing to you to urge you to please urgently pass this amendment through to protect our children.

(...)

It seems it does not matter that you are an absent or abusive parent, in this day and age the parent has the right over the child.

Our children are precious, but not owned by either parent and should be able to have a say in their upbringing and visitation.

(...)

Please please urgently pass these laws so as to protect (...) any other child from vicious vindictive parents. They are not allowed to speak for themselves even though we live in the 21st century.

We do not live in the time of children should be seen and not heard. Children have a voice and should be listened to.

PASS THESE LAWS AS A MATTER OF URGENCY FOR ALL OUR PRECIOUS CHILDREN.

Thank you for your time.

Yours faithfully,

(name withheld)
