Type of Question: Written.

Question:

Comparing July 2019 with July 2020, how many families, with how many children, received Family Tax Benefit? Broken down by:

- a. FTB A, FTB B and those receiving both FTB A and FTB B
- b. State/territory
- c. Whether parents are receiving an income support payments – and which payment type

Answer:

- a) Table 1. Number of families and children receiving Family Tax Benefit broken down by FTB Part A, FTB Part B and receiving both FTB Part A and Part B as at July 2019 and July 2020.

	July 2019		July 2020	
	Recipients	Children	Recipients	Children
By payment				
Total FTB population	1,359,114	2,653,594	1,382,869	2,684,279
FTB Part A population	1,350,169	2,612,521*	1,374,340	2,644,109*
FTB Part B population	1,086,795	1,987,503*	1,110,292	2,021,108*
By entitlement type				
FTB Part A and B	1,077,850	1,974,469	1,101,763	2,008,835
FTB Part A only	272,319	638,052*	272,577	635,274*
FTB Part B only	8,945	13,034*	8,529	12,273*

Note: Data is as at the last Friday of the month

All child counts include regular care children except for the counts marked *

Total FTB population is a unique count of families that receive either or both FTB Part A and Part B. Simply adding the FTB A and B populations would otherwise result in double counting.

b) Table 2. Number of families and children receiving Family Tax Benefit broken down by state and territory as at July 2019 and July 2020.

State or Territory	July 2019		July 2020

Note: Data is as at the last Friday of the month. All child counts include regular care children.

c) Table 3. Number of Family Tax Benefit families and children broken down by whether parents are receiving an income support payment, and which payment type as at July 2019 and July 2020

	July 2019		July 2020	
	Recipients	Children	Recipients	Children

Income support payment recipients by type of payment				
Jobseeker Payment	0	0	262,386	480,877

Total	585,151	1,160,561	703,639	1,374,310

Notes: Data is as at last Friday of the month. All child counts include regular care children.

To avoid double counting for couple families that are both on an income support payment, the payment counted is based on the following hierarchy:

- a. JobSeeker Payment
- b. Youth Allowance (Other)
- c. Youth Allowance (Student and Apprentice)
- d. Special Benefit
- e. Austudy
- f. Abstudy
- g. Parenting Payment Partnered
- h. Partner Allowance
