

Senate Economics Legislation Committee
Inquiry into the Tax Laws Amendment (Cross-Border Transfer Pricing) Bill (No. 1) 2012
Answers to Questions on Notice

Minerals Council of Australia

Question asked by Senator Cameron (page 7, proof transcript):

Can you provide this committee any advice as to whether any of your members have been involved in litigation on transfer pricing anywhere in the world that they operate?

Answer:

The MCA Secretariat is not currently aware of transfer pricing litigation involving our member companies, but in the short time allotted we have not established a definitive answer across the membership.
