

During the questioning I was asked how much “is the daily cash banking limit for Council at Australia Post” and I answered that I thought it was around \$1500.00. It is in fact a daily limit of \$7k and we exceed that probably ten time in a year.

Also, the question was asked where people in Coober Pedy get their cash from. Evidently Australia Post bring in significant amounts of cash each week. (The amount is undisclosed for security reasons).
