Dear Sir/Madam,

I, _____ would like to register my strong opposition to the Private Members' Bill, sponsored by Senator Bob Brown called the Australian Capital Territory (Self-Government) Amendment (Disallowance and Amendment Power of the Commonwealth) Bill 2010.

Despite it being promoted as a bill empowering territories' with greater self-governing powers, it is clear that it will also be used to bring in other laws that are only wanted by very narrow, self-interest groups.

Euthanasia and Homosexual Civil Unions that will mimic marriage are two such probabilities and are neither beneficial, nor essential to our community's well-being.

Euthanasia is plain murder for convenience, disguised as compassion and Homosexual Civil Unions seek to undermine the important family values our country holds dear and are necessary for a healthy society.

I hope that sanity prevails and that you, our duly elected officials, represent the vast majority of the electorate and don't cave in to the vocal minority. Do what is right, not politically expedient.
