

Petition to Paul Fletcher, Minister for the Arts

Dear Paul Fletcher,

We need your help to make sure that the creative workers and iconic institutions that inspire, provoke, and bring together Australians can survive this crisis. We want to get back to work, but we need your support.

- Job Keeper needs to be expanded to cover all of the hardworking, entrepreneurial freelancers and casuals who make their living in our creative industries.
- Financial assistance is needed to recover from the devastating losses caused by COVID-19 shutdowns.
- Australia needs regulatory and tax incentives that will drive our cultural life and guarantee future job and investment.
- Our creatives need help to get back to work safely and securely in the 'new normal'.
