

3rd April, 2012.

Senate Finance & Public Administration Committees  
P O Box 6100  
Parliament House,  
Canberra ACT 2600.

Dear Sirs,

As patients of Dr Welma Johnston, we are very distressed by the actions of Medicare in demanding repayment of \$24000 because of an omission in paperwork, which was later rectified.

Dr Johnston is a highly-ethical and skillful dentist and has our highest regard.

We believe there should be leniency for minor inadvertent paperwork omissions.

Yours faithfully,  
Graham & Helen Lane
