Subject: The future of the ABC
Date: Wednesday, 7 September 2011 10:14:13 PM

Dear Senators,

I am a passionate supporter of the ABC. I'm interested in the ABC producing quality programs that the commercial stations can't. The ABC must provide top quality programs. We cannot let the ABC out source programming. The ABC's specialist units need to produce high quality and genuinely local in house programming in all program genres - radio, TV and online.

Yours faithfully,

David Robertson
