

Questions on notice - to the Senate Standing Committee on Environment and Communications on the *Telecommunications (Regional Broadband Scheme) Charge Bill 2019*.

Questions on Notice from hearing 30-Jan-2020

1. Q. When was the last time OptiComm provided contracted lot numbers to the Department of Communications?
A. OptiComm provided updated figures on approximately 10 January 2020.
2. Q. In 2015 you would have provided a number to the Bureau of Communications Research. How does that 114,000 compare to that?
A. OptiComm did not provide estimates of lots passed to the BCR in 2015.
3. Q. How many lots would OptiComm have currently passed in regional areas?
A. Approximately 10,300, with a further 27,000 to pass under current contacts

If the committee requires any further clarification, please let OptiComm know, and we will do what we can to assist.
