

Senate Select Committee on Job Security

Questions on Notice

Public Hearing – 11 October 2021

CHAIR: Thank you. Just a final question—this is to Ms Hsu. To what lengths were you pushed to survive on such low wages? You've given us a statement about it. What did that mean for supporting yourself, and what were the consequences? In addition to that, do you have any direct experience from other workers also working under horrendous conditions?

我有一些朋友是持旅游签证，但是由于封锁国境被困在那里，他们教会了我如何去做 dumpster diving，我工作的时候也有很多来自不同国家的人，但是我不知道他们的具体情况。

I had mates who held tourist visa. They were stuck there because of the border restriction. They taught me how to do dumpster diving. I worked with people from many countries. But I do not know their details.
