

QoN 013-02

**Do you or has your organisation ever received direct or indirect support from the Pharmaceutical industry, including travel, attendance at conference, or events sponsorships, including from manufacturers of Nicotine replacement therapies?**

*With respect to Professor Matthew Peters*

Professor Peters has accepted support from pharmaceutical companies. All such support is declared where appropriate in relation to scientific publications, organisations where he has a voluntary role and in relation to Government Committees in accordance with their policies and is publicly accessible via the Medicines Australia website.

*With respect to Thoracic Society of Australia and New Zealand*

The Thoracic Society has accepted support from pharmaceutical companies. All such support is declared. The Society operates in compliance with the Medicines Australia Code of Conduct
