

Business Preparedness and Recovery - Mind map

Pre disaster

Preparation/preparedness

Business plan
Business continuity plan
Safe document storage/insurance/emergency plan

Post Disaster

Immediate support

Emergency relief
Business recovery officers/grants officers

Midterm support – Business

Case managers
SBMS (business mentors)
Rural financial counselors
Direct funding support
Flexibility in business processes – eg. taxation/BAS statements
Prioritization – insurance payouts

Midterm support – local economy

Economic recovery strategy and implementation plan
Economic leadership group
Donated goods and gifted assets – control the flow

Ongoing support

Retain business recovery and grants officers
Support ELG to implement the economic recovery strategy
Support rebuilding and new infrastructure projects
Re-establish local business structures/associations
Support impacted Councils
