

Australian Securities and Investments Commission  
Response to Question on Notice

<b>Inquiry</b>	Senate Economics Legislation Committee inquiry in Coronavirus Economic Response Package Amendment (Ending Jobkeeper Profiteering) Bill 2021
<b>Reference</b>	Written – 5 July 2021

### Question

Could ASIC please provide the committee with a full list of proprietary companies that are required to submit general purpose financial statements (GPFS) by virtue of their country-by-country reporting obligations and/or status as a significant global entity.

Basically, once ATO submits this information to ASIC it is publicly available for each company, but only as a PDF document for each individual company, and only searchable individually through the ASIC Registry.

Could ASIC provide this list as a spreadsheet with:

- The name of all proprietary companies required to submit a GPFS
- Net income (profit)
- Amount of JobKeeper payments received
- Any other information from GPFS that ASIC can put into a spreadsheet

### Answer

#### General purpose financial statements

Since 2018, ASIC has received general purpose financial statements (GPFSs) of SGEs and CBC Reporting Entities from the ATO pursuant to s3CA(3) of the *Taxation Administration Act 1953* (the TA Act).

We understand that Country-by-Country Reporting Entities (CBC Reporting Entities) are a subset of Significant Global Entities (SGEs). The reporting requirements for CBC Reporting Entities apply from tax income years or other periods commencing on or after 1 July 2019, in place of previous reporting requirements as SGEs.

SGEs and CBC Reporting Entities have not been required to provide GPFSs to the ATO where they had lodged GPFSs with ASIC in accordance with the financial reporting requirements and deadlines in Chapter 2M of the *Corporations Act 2001* (see s3CA(1) of the TA Act, as it stood at the relevant times).

ASIC makes the GPFSs provided by the ATO publicly available pursuant to s3CA(4) of the TA Act. ASIC has no other obligations, remit or powers in relation to the GPFSs. In particular, ASIC has no remit or powers to deal with instances where SGEs or CBC Reporting Entities have failed to provide the required GPFSs to the ATO. ASIC has no remit or powers in relation to the content of GPFSs.

#### List of proprietary companies

A list of all proprietary companies for which GPFSs have been provided to ASIC by the ATO pursuant to s3CA of the TA Act up to 5 July 2021 is attached. For each company, the date on which the most recent GPFS was received by ASIC and the reference number allocated by ASIC to that document are also provided.

The provision of a full list of proprietary companies that are required to submit GPFs to the ATO pursuant to s3CA of the TA Act would require an unreasonable diversion of ASIC resources. SGEs and CBC Reporting Entities are entities that are parts of global groups with A\$1 billion or more of annual revenue or global income. To create a full list of proprietary companies that met these criteria, ASIC would need to identify any ultimate controlling entity for accounting purposes of each of the more than 2.4 million Australian proprietary companies and whether the income across their global groups exceeded A\$1 billion. In order to obtain this information, ASIC would need to make enquiries of a substantial number of individual proprietary companies.

Providing the 'Net income (profit)' and 'Amount of JobKeeper payments received' for each of the 3,329 proprietary companies in the attached list would also require an unreasonable diversion of ASIC resources. In particular:

- a) ASIC would need to manually review the most recent GPFs of each of the 3,329 companies to locate and extract the relevant information;
- b) JobKeeper payments received may not be separately disclosed in a company's GPFs if the payments are not material in the context of the overall GPFs; and
- c) GPFs for individual proprietary companies may not cover the full period of JobKeeper payments received by the company. We understand that the deadline for CBC Reporting Entities to provide GPFs for years ended 30 June 2021 to the ATO can be 30 June 2022.

**PROPRIETARY COMPANIES FOR WHICH ASIC RECEIVED GPFSS FROM THE ATO TO 5 JULY 2021  
PURSUANT TO THE REQUIREMENTS FOR SIGNIFICANT GLOBAL ENTITIES AND COUNTRY-BY-COUNTRY REPORTING ENTITIES**
