Mr John Carter
Committee Secretary
Senate Education, Employment and Workplace Relations Committee
Department of the Senate
PO Box 6100
Canberra ACT 2600

Dear Mr Carter

I refer to AMP's submission to the Senate Inquiry into the Fair Work Bill.

I wish to inform you that we have been advised that there is a possibility of a small number of errors in the attachment to the submission.

The attachment to the submission was developed by our consultants using information on the AIRC's website. I am now advised that AIRC website may not have been fully up to date at the time the work was undertaken.

As a consequence, there may some awards included in the attachment that do not provide the flexibility indicated.

However, on checking, I am advised that the attachment is substantially correct and that the bulk of the awards included allow "other complying superannuation funds" to be used as a default fund.

Yours sincerely

Alastair Kinloch
