Dear Senator

**Correction to Hansard — proceedings of 27 May 2015**

I write to correct the record of evidence provided to the Senate Standing Committee on Legal and Constitutional Affairs hearing of 27 May 2015.

2. The draft Hansard of proceedings indicates at page 87 that I gave the following evidence:

**Senator JACINTA COLLINS:** *Are you able to tell me whether this correspondence was considered by the review?*

**Ms K Jones:** *It was provided to the review and we considered all the correspondence that was provided to us.*

3. I have since checked my recollections with another colleague on the Review. I have concluded that my recollection was incorrect and related to a separate document. While it is the case that the Review considered all the correspondence that was provided to it, the correspondence raised by Senator Collins was not provided to the Review.

4. My evidence should therefore be amended to state:

**Ms K Jones:** *We considered all the correspondence that was provided to us. This correspondence was not provided to the Review.*

5. I would be grateful if the record of proceedings could be amended to reflect the above correction.

Yours sincerely

**Secretary**

3 June 2015

Senator the Hon George Brandis QC  
Attorney-General  
Parliament House  
Canberra ACT 2600

Dear Attorney-General

**Attorney-General's Department's search and provision to the Martin Place Siege Review of correspondence from Man Haron Monis**

I am writing to explain the Attorney-General's Department's search for correspondence from Man Haron Monis and provision of that correspondence to the Martin Place Siege Review (the Review) and to outline measures the department has since taken in relation to the search.

2. Between 5 and 15 January 2015 at the request of the Review the department undertook searches for documents and correspondence relevant to the terms of reference for the Martin Place Siege Review. This included searches of the department's ministerial correspondence and records management systems.
3. On 14 January 2015, once the documents held by the department relevant to the terms of reference for the Martin Place Siege Review had been identified and collated, they were passed by the department to the Review team at the Department of the Prime Minister and Cabinet (PM&C). The department further advised the Review on 15 January 2015 that the final element of the search of one system concluded that day had yielded no further documents for provision to the Review.
4. On 2 February 2015, officers in the department became aware that a letter from Sheikh Haron addressed to the Attorney-General dated 7 October 2014 seeking legal advice and the department's 5 November 2015 reply to that letter on the Attorney's behalf had been inadvertently omitted from the correspondence provided to the Review. The officers became aware of this omission following the Australian Federal Police notifying the department that it had come into possession of the letter and the reply while making inquiries.
5. On 2 February 2015 a departmental officer contacted an officer in the Review team at the PM&C to advise that some correspondence had inadvertently not been provided to the Review. The Review team member advised that the text of the Review had already been finalised and the department therefore did not provide the two documents. The two documents were, however, provided to the coronial inquiry.
6. In the week beginning 1 June 2015 the department conducted a review of its January 2015 search for and provision of documents to the Review to ensure the accuracy of the search and to confirm what had been passed to the Review. It ascertained that the Monis letter and reply had

been inadvertently omitted from what was passed to the Review because they were listed in a second tab in a spreadsheet of search results that was overlooked by the officers collating the index of documents for the Review. (PM&C has confirmed that the only four other documents identified in the second tab of the spreadsheet that should also have been passed to the Review by the department were passed to the Review by other agencies during the Review.)

7. On 27 May 2015 at the Senate Legal and Constitutional Affairs Committee Budget Estimates hearing, Katherine Jones, Deputy Secretary, National Security and Criminal Justice Group, provided evidence that the correspondence in question was provided to the review. After further discussions with a former colleague on the Review team, Ms Jones concluded that her recollection was incorrect and that she had been thinking of another document and not the correspondence in question. (Ms Jones was unaware when she gave her evidence that the correspondence in question had been the subject of discussion between officers of the Department and the Review on 2 February 2015.) Ms Jones will correct her evidence to the Senate Committee at the earliest opportunity.

8. To prevent errors such as that described in paragraph 5 above from occurring in future, I have asked officers in the department to prepare enhanced procedures for searches and provision of documents in future.

9. Separately, it may be useful for me to outline the steps the department has taken to ensure appropriate awareness and vigilance after the National Public Alert Level was raised to High on 12 September 2014. These measures include:

- advising staff of the change in the National Terrorism Public Alert level and were encouraged to be vigilant and report any suspicious activity or behaviour
- testing and reviewing lockdown procedures for Robert Garran Offices
- testing and reviewing the department's Business Continuity, Crisis Management and Heightened Security arrangements, and
- seeking a threat assessment from ASIO in relation to departmental premises.

10. In respect of correspondence, the department carefully assesses each item received on matters relating to national security. Departmental officers liaise with other government agencies, including law enforcement and security agencies, where an item of correspondence raises concerns. The department also has a security policy outlining how officers should respond in the event of a threat.

Yours sincerely

Chris Moraitis PSM

Dear Attorney-General

**Attorney-General's Department's search and provision to the Martin Place Siege Review of correspondence from Man Haron Monis**

I am writing to explain the Attorney-General's Department's search for correspondence from Man Haron Monis and provision of that correspondence to the Martin Place Siege Review (the Review) and to outline measures the department has since taken in relation to the search.

2. Between 5 and 15 January 2015 at the request of the Review the department undertook searches for documents and correspondence relevant to the terms of reference for the Review. This included searches of the department's ministerial correspondence and records management systems.
3. On 14 January 2015, once the documents held by the department relevant to the terms of reference for the Review had been identified and collated, they were passed by the department to the Review team at the Department of the Prime Minister and Cabinet (PM&C). The department further advised the Review on 15 January 2015 that the final element of the search concluded that day had yielded no further documents for provision to the Review.
4. On 2 February 2015, officers in the department became aware that a letter from Sheikh Haron addressed to the Attorney-General dated 7 October 2014 seeking legal advice and the department's 5 November 2015 reply to that letter on the Attorney's behalf had been inadvertently omitted from the correspondence provided to the Review. The officers became aware of this omission following the Australian Federal Police notifying the department that it had come into possession of the letter and the reply while making inquiries.
5. On 2 February 2015 a departmental officer contacted an officer in the Review team at PM&C to advise that some correspondence had inadvertently not been provided to the Review. The Review team member advised that the text of the Review had already been finalised and the department therefore did not provide the two documents. The two documents were, however, provided to the coronial inquiry.
6. In the week beginning 1 June 2015 the department conducted a review of its January 2015 search for, and provision of, documents to the Review to ensure the accuracy of the search and to confirm what had been passed to the Review. It ascertained that the Monis letter and reply had been inadvertently omitted from what was passed to the Review because they were listed in a

second tab in a spreadsheet of search results that was overlooked by the officers collating the index of documents for the Review. (PM&C has confirmed that the only four other documents identified in the second tab of the spreadsheet that should also have been passed to the Review by the department were passed to the Review by other agencies during the Review.)

7. On 27 May 2015 at the Senate Legal and Constitutional Affairs Committee Budget Estimates hearing, Katherine Jones, Deputy Secretary, National Security and Criminal Justice Group, provided evidence that the correspondence in question was provided to the review. After further discussions with a former colleague on the Review team, Ms Jones concluded that her recollection was incorrect and that she had been thinking of another document and not the correspondence in question. (Ms Jones was unaware when she gave her evidence that the correspondence in question had been the subject of discussion between officers of the Department and the Review on 2 February 2015.) Ms Jones will correct her evidence to the Senate Committee at the earliest opportunity.

8. To prevent errors such as that described in paragraph 5 above from occurring in future, I have asked officers in the department to prepare enhanced procedures for searches and provision of documents in future.

9. Separately, it may be useful for me to outline the steps the department has taken to ensure appropriate awareness and vigilance after the National Public Alert Level was raised to High on 12 September 2014. These measures include:

- advising staff of the change in the National Terrorism Public Alert level and were encouraged to be vigilant and report any suspicious activity or behaviour
- testing and reviewing lockdown procedures for Robert Garran Offices
- testing and reviewing the department's Business Continuity, Crisis Management and Heightened Security arrangements, and
- seeking a threat assessment from ASIO in relation to departmental premises.

10. In respect of correspondence, the department carefully assesses each item received on matters relating to national security. Departmental officers liaise with other government agencies, including law enforcement and security agencies, where an item of correspondence raises concerns. The department also has a security policy outlining how officers should respond in the event of a threat.

Yours sincerely

Dear Senator

**Correction to Hansard — proceedings of 27 May 2015**

I write to correct the record of evidence provided to the Senate Standing Committee on Legal and Constitutional Affairs hearing of 27 May 2015.

2. The draft Hansard of proceedings indicates at page 87 that I gave the following evidence:

**Senator JACINTA COLLINS:** *Are you able to tell me whether this correspondence was considered by the review?*

**Ms K Jones:** *It was provided to the review and we considered all the correspondence that was provided to us.*

3. I have since checked my recollections with another colleague on the Review. I have concluded that my recollection was incorrect and related to a separate document. While it is the case that the Review considered all the correspondence that was provided to it, the correspondence raised by Senator Collins was not provided to the Review.

4. My evidence should therefore be amended to state:

**Ms K Jones:** *We considered all the correspondence that was provided to us. This correspondence was not provided to the Review.*

4 June 2015

Senator the Hon George Brandis QC  
Attorney-General  
Parliament House  
Canberra ACT 2600

Dear Attorney-General

**Attorney-General's Department's search and provision to the Martin Place Siege Review of correspondence from Man Haron Monis**

I am writing to explain the Attorney-General's Department's search for correspondence from Man Haron Monis and provision of that correspondence to the Martin Place Siege Review (the Review) and to outline measures the department has since taken in relation to the search.

2. Between 5 and 15 January 2015 at the request of the Review the department undertook searches for documents and correspondence relevant to the terms of reference for the Review. This included searches of the department's ministerial correspondence and records management systems.
3. On 14 January 2015, once the documents held by the department relevant to the terms of reference for the Review had been identified and collated, they were passed by the department to the Review team at the Department of the Prime Minister and Cabinet (PM&C). The department further advised the Review on 15 January 2015 that the final element of the search concluded that day had yielded no further documents for provision to the Review.
4. On 2 February 2015, officers in the department became aware that a letter from Sheikh Haron addressed to the Attorney-General dated 7 October 2014 seeking legal advice and the department's 5 November 2015 reply to that letter on the Attorney's behalf had been inadvertently omitted from the correspondence provided to the Review. The officers became aware of this omission following the Australian Federal Police notifying the department that it had come into possession of the letter and the reply while making inquiries.
5. On 2 February 2015 a departmental officer contacted an officer in the Review team at PM&C to advise that some correspondence had inadvertently not been provided to the Review. The Review team member advised that the text of the Review had already been finalised and the department therefore did not provide the two documents. The two documents were, however, provided to the coronial inquiry.
6. On 27 May 2015 at the Senate Legal and Constitutional Affairs Committee Budget Estimates hearing, Katherine Jones, Deputy Secretary, National Security and Criminal Justice Group, provided evidence that the correspondence in question was provided to the review. After further discussions with a former colleague on the Review team, Ms Jones concluded that her recollection

was incorrect and that she had been thinking of another document and not the correspondence in question. (Ms Jones was unaware when she gave her evidence that the correspondence in question had been the subject of discussion between officers of the Department and the Review on 2 February 2015.) Ms Jones will correct her evidence to the Senate Committee at the earliest opportunity.

7. In the week beginning 1 June 2015 the department conducted a review of its January 2015 search for, and provision of, documents to the Review to ensure the accuracy of the search and to confirm what had been passed to the Review. It ascertained that the Monis letter and reply had been inadvertently omitted from what was passed to the Review because they were listed in a second tab in a spreadsheet of search results that was overlooked by the officers collating the index of documents for the Review. (PM&C has confirmed that the only four other documents identified in the second tab of the spreadsheet that should also have been passed to the Review by the department were passed to the Review by other agencies during the Review.)

8. To prevent errors such as that described in paragraph 4 above from occurring in future, I have asked officers in the department to prepare enhanced procedures for searches and provision of documents in future.

9. Separately, it may be useful for me to outline the steps the department has taken to ensure appropriate awareness and vigilance after the National Public Alert Level was raised to High on 12 September 2014. These measures include:

- advising staff of the change in the National Terrorism Public Alert level and were encouraged to be vigilant and report any suspicious activity or behaviour
- testing and reviewing lockdown procedures for Robert Garran Offices
- testing and reviewing the department's Business Continuity, Crisis Management and Heightened Security arrangements, and
- seeking a threat assessment from ASIO in relation to departmental premises.

10. In respect of correspondence, the department carefully assesses each item received on matters relating to national security. Departmental officers liaise with other government agencies, including law enforcement and security agencies, where an item of correspondence raises concerns. The department also has a security policy outlining how officers should respond in the event of a threat.

Yours sincerely

Chris Moraitis PSM

Hi both

Further to my previous calls – there is a letter that needs to be located urgently..

[REDACTED] has advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

### Summary of EMA searches

The Crisis Coordination Centre (CCC), including the National Security Hotline (NSH), operates using three Information Management Systems ([REDACTED])  
[REDACTED] e)  
a [REDACTED].

#### Search outcomes:

- [REDACTED]. Two reports have been located, up until the start of the siege (in line with the Review TOR). Both concern open source information – the 2011 record concerns a Sky News report and the 2012 record concerns an AAP report.
- [REDACTED]. Only documents stored relate to Monis are post-siege.
- [REDACTED]. NSH records relating to Monis, searched against some aliases, were provided as part of the Department's 24 December 2014 submission. A subsequent search using the new alias list has been conducted and no further contacts have been identified in the period up until the start of the siege (in line with the Review TOR).

As also noted in earlier briefing – since the beginning of the siege, the NSH has received substantial contacts in regards to Monis.

#### Note:

- A search by Corporate Division on TRIM has identified one document attributed to the old Protective Security Coordination Centre (PSCC). A corresponding search of the NSH database does not identify any subsequent contacts requested in this letter from the former Attorney-General, the Hon Phillip Ruddock MP, to Monis.
- NSLPD have identified a document on a G:// drive that specifically discusses Monis as a case study of NSW Police, provided as part of the 2008 NSH Forum. The NSW Police would be the originating agency to release this document.
- Information Division has advised that there are no further records to supply from G drive, Lotus Notes or other archived data repositories.

Dear Chair

**Correction to Hansard — proceedings of 27 May 2015**

I write to correct the record of evidence provided to the Senate Standing Committee on Legal and Constitutional Affairs hearing of 27 May 2015.

2. The proof Hansard of proceedings indicates at page 87 that I gave the following evidence:

**Senator JACINTA COLLINS:** *Are you able to tell me whether this correspondence was considered by the review?*

**Ms K Jones:** *It was provided to the review and we considered all the correspondence that was provided to us.*

3. I have since checked my recollections with another colleague on the Review. I have concluded that my recollection was incorrect and related to a separate document. While it is the case that the Review considered all the correspondence that was provided to it, the correspondence raised by Senator Collins was not provided to the Review.

4. My evidence should therefore be amended to state:

**Ms K Jones:** *We considered all the correspondence that was provided to us. This correspondence was not provided to the Review.*

5. I would be grateful if the record of proceedings could be amended to reflect the above correction.

Yours sincerely

Katherine Jones  
Deputy Secretary

Dear Attorney-General

**Attorney-General's Department's search and provision to the Martin Place Siege Review of correspondence from Man Haron Monis**

I am writing to explain the Attorney-General's Department's search for correspondence from Man Haron Monis and provision of that correspondence to the Martin Place Siege Review (the Review) and to outline measures the department has since taken in relation to the search.

2. Between 5 and 15 January 2015 at the request of the Review the department undertook searches for documents and correspondence relevant to the terms of reference for the Review. This included searches of the department's ministerial correspondence and records management systems.
3. On 14 January 2015, once the documents held by the department relevant to the terms of reference for the Review had been identified and collated, they were passed by the department to the Review team at the Department of the Prime Minister and Cabinet (PM&C). The department further advised the Review on 15 January 2015 that the final element of the search concluded that day had yielded no further documents for provision to the Review.
4. On 2 February 2015, officers in the department became aware that a letter from Sheikh Haron addressed to the Attorney-General dated 7 October 2014 seeking legal advice and the department's 5 November 2015 reply to that letter on the Attorney's behalf had been inadvertently omitted from the correspondence provided to the Review. The officers became aware of this omission following the Australian Federal Police notifying the department that it had come into possession of the letter and the reply while making inquiries.
5. On 2 February 2015 a departmental officer contacted an officer in the Review team at PM&C to advise that some correspondence had inadvertently not been provided to the Review. The Review team member advised that the text of the Review had already been finalised and the department therefore did not provide the two documents. The two documents were, however, provided to the coronial inquiry.
6. On 27 May 2015 at the Senate Legal and Constitutional Affairs Committee Budget Estimates hearing, Katherine Jones, Deputy Secretary, National Security and Criminal Justice Group, provided evidence that the correspondence in question was provided to the review. After further discussions with a former colleague on the Review team, Ms Jones concluded that her recollection

was incorrect and that she had been thinking of another document and not the correspondence in question. (Ms Jones was unaware when she gave her evidence that the correspondence in question had been the subject of discussion between officers of the Department and the Review on 2 February 2015.) Ms Jones will correct her evidence to the Senate Committee at the earliest opportunity.

7. In the week beginning 1 June 2015 the department conducted a review of its January 2015 search for, and provision of, documents to the Review to ensure the accuracy of the search and to confirm what had been passed to the Review. It ascertained that the Monis letter and reply had been inadvertently omitted from what was passed to the Review because of administrative error (they were listed in a second tab in a spreadsheet of search results that was overlooked by the officers collating the index of documents for the Review). PM&C has confirmed that the only four other documents identified in the second tab of the spreadsheet that should also have been passed to the Review by the department were passed to the Review by other agencies during the Review.

8. To prevent errors such as that described in paragraph 4 above from occurring again, I have instructed officers in the department to prepare enhanced procedures for searches and provision of documents.

9. Separately, it may be useful for me to outline the steps the department has taken to ensure appropriate awareness and vigilance after the National Public Alert Level was raised to High on 12 September 2014. Measures included:

- advising staff by email of the change in the National Terrorism Public Alert level and encouraging staff to be vigilant and report any suspicious activity or behaviour
- testing and reviewing lockdown procedures for the Robert Garran Offices
- testing and reviewing the department's Business Continuity, Crisis Management and Heightened Security arrangements, and
- seeking a threat assessment from ASIO in relation to departmental premises.

10. In respect of correspondence, the department carefully assesses each item received on matters relating to national security. Departmental officers liaise with other government agencies, including law enforcement and security agencies, where an item of correspondence raises concerns. The department also has a security policy outlining how officers should respond in the event of a threat.

Yours sincerely

Chris Moraitis PSM

No-one in the Branch has any recollection/knowledge.

I have searched TRIM under all spellings of Hizbollah/Hezbollah/Hizbullah I could identify and could not find anything relevant.

There were, however, a number of documents from around that date relating to **broadcasting by Hezbollah's TV station "Al Manar"**. The area responsible for broadcasting issues may be able to assist.

Hi both

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] has advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

Many thanks [REDACTED] Who would the relevant line area be that we could check with? Are there any action officers listed?

[REDACTED] I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided – it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department – subject to [REDACTED] note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided – e.g. author's name, subject of letter etc.

Thanks

Dear Chair

**Correction to Hansard — proceedings of 27 May 2015**

I write to correct the record of evidence provided to the Senate Standing Committee on Legal and Constitutional Affairs hearing of 27 May 2015.

2. The proof Hansard of proceedings indicates at page 87 that I gave the following evidence:

**Senator JACINTA COLLINS:** *Are you able to tell me whether this correspondence was considered by the review?*

**Ms K Jones:** *It was provided to the review and we considered all the correspondence that was provided to us.*

3. I have since checked my recollections with another colleague on the Review. I have concluded that my recollection was incorrect and related to a separate document. While it is the case that the Review considered all the correspondence that was provided to it, the correspondence raised by Senator Collins was not provided to the Review.

Yours sincerely

Attorney-General

Dear Attorney-General

**Attorney-General's Department's search and provision to the Martin Place Siege Review of correspondence from Man Haron Monis**

I am writing to explain the Attorney-General's Department's search for correspondence from Man Haron Monis and provision of that correspondence to the Martin Place Siege Review (the Review) and to outline measures the department has since taken in relation to the search.

2. Between 5 and 15 January 2015 at the request of the Review the department undertook searches for documents and correspondence relevant to the terms of reference for the Review. This included searches of the department's ministerial correspondence and records management systems.
3. On 14 January 2015, once the documents held by the department relevant to the terms of reference for the Review had been identified and collated, they were passed by the department to the Review team at the Department of the Prime Minister and Cabinet (PM&C). The department further advised the Review on 15 January 2015 that the final element of the search concluded that day had yielded no further documents for provision to the Review.
4. On 2 February 2015, officers in the department became aware that a letter from Sheikh Haron addressed to the Attorney-General dated 7 October 2014 seeking legal advice and the department's 5 November 2015 reply to that letter on the Attorney-General's behalf had been inadvertently omitted from the correspondence provided to the Review. The officers became aware of this omission following the Australian Federal Police notifying the department that it had come into possession of the letter and the reply while making inquiries. However, that fact was not communicated either to your office or the Prime Minister's office.
5. On 2 February 2015, a departmental officer contacted an officer in the Review team at PM&C to advise that some correspondence had inadvertently not been provided to the Review. The Review team member advised that the text of the Review had already been finalised and the department therefore did not provide the two documents. The two documents were, however, provided to the coronial inquiry.
6. On 27 May 2015 at the Senate Legal and Constitutional Affairs Committee Budget Estimates hearing, Katherine Jones, Deputy Secretary, National Security and Criminal Justice Group, provided evidence that the correspondence in question was provided to the review. After further

discussions with a former colleague on the Review team, Ms Jones concluded that her recollection was incorrect and that she had been thinking of another document and not the correspondence in question. (Ms Jones was unaware when she gave her evidence that the correspondence in question had been the subject of discussion between officers of the department and the Review on 2 February 2015.) Ms Jones will correct her evidence to the Senate Committee at the earliest opportunity.

7. In the week beginning 1 June 2015, the department conducted a review of its January 2015 search for, and provision of, documents to the Review to ensure the accuracy of the search and to confirm what had been passed to the Review. It ascertained that the Monis letter and reply had been inadvertently omitted from what was passed to the Review because of an administrative error (they were listed in a second tab in a spreadsheet of search results that was overlooked by the officers collating the index of documents for the Review). PM&C has confirmed that the only four other documents identified in the second tab of the spreadsheet that should also have been passed to the Review by the department were passed to the Review by other agencies during the Review.

8. To prevent such errors from occurring again, I have instructed officers in the department to prepare enhanced procedures for searches and provision of documents.

9. Separately, it may be useful for me to outline the steps the department has taken to ensure appropriate awareness and vigilance after the National Public Alert Level was raised to High on 12 September 2014. Measures included:

- advising staff by email of the change in the National Terrorism Public Alert level and encouraging staff to be vigilant and report any suspicious activity or behaviour
- testing and reviewing lockdown procedures for the Robert Garran Offices
- testing and reviewing the department's Business Continuity, Crisis Management and Heightened Security arrangements, and
- seeking a threat assessment from ASIO in relation to departmental premises.

10. In respect of correspondence, the department carefully assesses each item received on matters relating to national security. Departmental officers liaise with other government agencies, including law enforcement and security agencies, where an item of correspondence raises concerns. The department also has a security policy outlining how officers should respond in the event of a threat.

Yours sincerely

Chris Moraitis PSM

Dear All,

Thank you for your help with this. The letter is referred to at page 9 of the Martin Place Siege Report ([https://www.dpmc.gov.au/sites/default/files/publications/170215 Martin Place Siege Review 1.pdf](https://www.dpmc.gov.au/sites/default/files/publications/170215_Martin_Place_Siege_Review_1.pdf)) which indicates the letter was sent to the Commonwealth Attorney-General (with copies to the then PM, Opposition Leader, Foreign Minister and ASIO).

Katherine has requested that I let her know by the end of today:

1. Do we have a record of the letter on AGD files.
2. Did we provide a copy of the letter to the Review (I understand that the response to this question at this stage appears to be no; but grateful for your confirmation of this)
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc).

I'd be grateful for your help with the above queries. Please let me know if you have any queries or would like to discuss.

Kind regards,

[REDACTED] – I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided – it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department – subject to [REDACTED]'s note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided – e.g. author's name, subject of letter etc.

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] has advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

Dear All,

Thank you for your help with this. The letter is referred to at page 9 of the Martin Place Siege Report ([https://www.dpmc.gov.au/sites/default/files/publications/170215 Martin Place Siege Review 1.pdf](https://www.dpmc.gov.au/sites/default/files/publications/170215_Martin_Place_Siege_Review_1.pdf)) which indicates the letter was sent to the Commonwealth Attorney-General (with copies to the then PM, Opposition Leader, Foreign Minister and ASIO).

Katherine has requested that I let her know by the end of today:

1. Do we have a record of the letter on AGD files.
2. Did we provide a copy of the letter to the Review (I understand that the response to this question at this stage appears to be no; but grateful for your confirmation of this)
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc).

I'd be grateful for your help with the above queries. Please let me know if you have any queries or would like to discuss.

Kind regards,

[REDACTED]

Many thanks [REDACTED] Who would the relevant line area be that we could check with? Are there any action officers listed?

[REDACTED] – I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided – it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department – subject to [REDACTED] note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided – e.g. author's name, subject of letter etc.

Thanks

No-one in the Branch has any recollection/knowledge.

I have searched TRIM under all spellings of Hizbollah/Hezbollah/Hizbullah I could identify and could not find anything relevant.

There were, however, a number of documents from around that date relating to **broadcasting by Hezbollah's TV station "Al Manar"**. The area responsible for broadcasting issues may be able to assist.

Hi both

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] has advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

Hi all

We have done some searching in TRIM and have been unable to locate the item. This does not mean it doesn't exist in our systems, just that we have been unable to locate it based on the criteria below:

- Item type MC
- Date of corro 06/11/2008
- Title includes Hizbollah or Hezbollah or Hizbullah

Attached is an extract of a search undertaken in TRIM with the key parameter being "Correspondence Date" of between 01/11/2008 to 15/11/2008 (inclusive) with the following fields extracted:

- Document Number (eg MC number)
- Security classification
- Document Type (eg an MC shell only or a PDF etc)
- Title of item
- Author
- Correspondence Date
- Date Received by Minister
- Date Created
- Date Last Updated
- Size

Do ASIO or another agency have a copy of the letter that we can view to ascertain what other criteria we could search on?

**For Official Use Only**

No-one in the Branch has any recollection/knowledge.

I have searched TRIM under all spellings of Hizbollah/Hezbollah/Hizbullah I could identify and could not find anything relevant.

There were, however, a number of documents from around that date relating to **broadcasting by Hezbollah's TV station "Al Manar"**. The area responsible for broadcasting issues may be able to assist.

## For Official Use Only

Hi both

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] was advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

Hi [REDACTED]

We are pursuing with ASIO and PM&C.

PM&C will see if they can obtain it from the review files, so at least we can get further details to use in searches at this end.

Hi all

We have done some searching in TRIM and have been unable to locate the item. This does not mean it doesn't exist in our systems, just that we have been unable to locate it based on the criteria below:

- Item type MC
- Date of corro **06/11/2008**
- Title includes **Hizbollah** or **Hezbollah** or **Hizbullah**

Attached is an extract of a search undertaken in TRIM with the key parameter being "Correspondence Date" of between 01/11/2008 to 15/11/2008 (inclusive) with the following fields extracted:

- Document Number (eg MC number)
- Security classification
- Document Type (eg an MC shell only or a PDF etc)
- Title of item
- Author
- Correspondence Date
- Date Received by Minister
- Date Created
- Date Last Updated
- Size

Do ASIO or another agency have a copy of the letter that we can view to ascertain what other criteria we could search on?

We will get you the answer to these as soon as possible.

We will try to search by the date of the letter to confirm the answer to 1. If we find it, it will assist us to confirm the answers to 2 and 3.

Feel free to give me a call in the meantime if you need to discuss.

Dear All,

Thank you for your help with this. The letter is referred to at page 9 of the Martin Place Siege Report ([https://www.dpmc.gov.au/sites/default/files/publications/170215\\_Martin\\_Place\\_Siege\\_Review\\_1.pdf](https://www.dpmc.gov.au/sites/default/files/publications/170215_Martin_Place_Siege_Review_1.pdf)) which indicates the letter was sent to the Commonwealth Attorney-General (with copies to the then PM, Opposition Leader, Foreign Minister and ASIO).

Katherine has requested that I let her know by the end of today:

1. Do we have a record of the letter on AGD files.
2. Did we provide a copy of the letter to the Review (I understand that the response to this question at this stage appears to be no; but grateful for your confirmation of this)

3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc).

I'd be grateful for your help with the above queries. Please let me know if you have any queries or would like to discuss.

Kind regards,

### For Official Use Only

Many thanks [REDACTED]. Who would the relevant line area be that we could check with? Are there any action officers listed?

[REDACTED] - I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided - it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department - subject to [REDACTED] note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided - e.g. author's name, subject of letter etc.

Thanks

No-one in the Branch has any recollection/knowledge.

I have searched TRIM under all spellings of Hizbollah/Hezbollah/Hizbullah I could identify and could not find anything relevant.

There were, however, a number of documents from around that date relating to **broadcasting by Hezbollah's TV station "Al Manar"**. The area responsible for broadcasting issues may be able to assist.

Hi both

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] has advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

Dear Attorney-General

**Attorney-General's Department's search and provision to the Martin Place Siege Review of correspondence from Man Haron Monis**

I am writing to explain the Attorney-General's Department's search for correspondence from Man Haron Monis and provision of that correspondence to the Martin Place Siege Review (the Review) and to outline measures the department has since taken in relation to the search.

2. Between 5 and 15 January 2015, at the request of the Review, the department undertook searches for documents and correspondence relevant to the terms of reference for the Review. This included searches of the department's ministerial correspondence and records management systems.
3. On 14 January 2015, once the documents held by the department relevant to the terms of reference for the Review had been identified and collated, they were passed by the department to the Review team at the Department of the Prime Minister and Cabinet (PM&C). The department further advised the Review on 15 January 2015 that the final element of the search concluded that day had yielded no further documents for provision to the Review.
4. On 2 February 2015, officers in the department became aware that a letter from Sheikh Haron addressed to the Attorney-General dated 7 October 2014 seeking legal advice and the department's 5 November 2015 reply to that letter on the Attorney-General's behalf had been inadvertently omitted from the correspondence provided to the Review. The officers became aware of this omission following the Australian Federal Police notifying the department that it had come into possession of the letter and the reply while making inquiries. However, that fact was not communicated either to your office or the Prime Minister's office.
5. On 2 February 2015, a departmental officer contacted an officer in the Review team at PM&C to advise that some correspondence had inadvertently not been provided to the Review. The Review team member advised that the text of the Review had already been finalised and the department therefore did not provide the two documents. The two documents were, however, provided to the coronial inquiry.
6. On 27 May 2015 at the Senate Legal and Constitutional Affairs Committee Budget Estimates hearing, Katherine Jones, Deputy Secretary, National Security and Criminal Justice Group, provided evidence that the correspondence in question was provided to the review. After further

discussions with a former colleague on the Review team, Ms Jones concluded that her recollection was incorrect and that she had been thinking of another document and not the correspondence in question. (Ms Jones was unaware when she gave her evidence that the correspondence in question had been the subject of discussion between officers of the department and the Review on 2 February 2015.) Ms Jones will correct her evidence to the Senate Committee at the earliest opportunity.

7. In the week beginning 1 June 2015, the department conducted a review of its January 2015 search for, and provision of, documents to the Review to ensure the accuracy of the search and to confirm what had been passed to the Review. It ascertained that the Monis letter and reply had been inadvertently omitted from what was passed to the Review because of an administrative error (they were listed in a second tab in a spreadsheet of search results that was overlooked by the officers collating the index of documents for the Review). PM&C has confirmed that the only four other documents identified in the second tab of the spreadsheet that should also have been passed to the Review by the department were passed to the Review by other agencies during the Review.

8. To prevent such errors from occurring again, I have instructed officers in the department to prepare enhanced procedures for searches and provision of documents.

9. Separately, it may be useful for me to outline the steps the department has taken to ensure appropriate awareness and vigilance after the National Public Alert Level was raised to High on 12 September 2014. Measures included:

- advising staff by email of the change in the National Terrorism Public Alert level and encouraging staff to be vigilant and report any suspicious activity or behaviour
- testing and reviewing lockdown procedures for the Robert Garran Offices
- testing and reviewing the department's Business Continuity, Crisis Management and Heightened Security arrangements, and
- seeking a threat assessment from ASIO in relation to departmental premises.

10. In respect of correspondence, the department carefully assesses each item received on matters relating to national security. Departmental officers liaise with other government agencies, including law enforcement and security agencies, where an item of correspondence raises concerns. The department also has a security policy outlining how officers should respond in the event of a threat.

Yours sincerely

 Chris Moraitis PSM

**Ms K Jones:** *It was provided to the review and we considered all the correspondence that was provided to us.*

3. I have since checked my recollections with another colleague on the Review. I have concluded that my recollection was incorrect and related to a separate document. Hi all

We have done some searching in TRIM and have been unable to locate the item. This does not mean it doesn't exist in our systems, just that we have been unable to locate it based on the criteria below:

- Item type MC
- Date of corro **06/11/2008**
- Title includes Hizbollah or Hezbollah or Hizbullah

Attached is an extract of a search undertaken in TRIM with the key parameter being "Correspondence Date" of between 01/11/2008 to 15/11/2008 (inclusive) with the following fields extracted:

- Document Number (eg MC number)
- Security classification
- Document Type (eg an MC shell only or a PDF etc)
- Title of item
- Author
- Correspondence Date
- Date Received by Minister
- Date Created
- Date Last Updated
- Size

Do ASIO or another agency have a copy of the letter that we can view to ascertain what other criteria we could search on?

Dear All,

Thank you for your help with this. The letter is referred to at page 9 of the Martin Place Siege Report ([https://www.dpmc.gov.au/sites/default/files/publications/170215 Martin Place Siege Review 1.pdf](https://www.dpmc.gov.au/sites/default/files/publications/170215_Martin_Place_Siege_Review_1.pdf)) which indicates the letter was sent to the Commonwealth Attorney-General (with copies to the then PM, Opposition Leader, Foreign Minister and ASIO).

Katherine has requested that I let her know by the end of today:

1. Do we have a record of the letter on AGD files.

2. Did we provide a copy of the letter to the Review (I understand that the response to this question at this stage appears to be no; but grateful for your confirmation of this)
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc).

I'd be grateful for your help with the above queries. Please let me know if you have any queries or would like to discuss.

Kind regards,

Many thanks [REDACTED] Who would the relevant line area be that we could check with? Are there any action officers listed?

[REDACTED] – I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided – it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department – subject to [REDACTED] note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided – e.g. author's name, subject of letter etc.

Thanks

I have searched TRIM under all spellings of Hizbollah/Hezbollah/Hizbullah I could identify and could not find anything relevant.

There were, however, a number of documents from around that date relating to [REDACTED]  
[REDACTED]. The area responsible for [REDACTED] issues may be able to assist.

Hi both

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] has advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

Hi [REDACTED]

Further to the below enquiries and following confirmation from [REDACTED] – we can confirm that:

1. Do we have a record of the letter on AGD files. **No – even following receipt of the letter from PM&C (attached) we could not locate this letter based on the details in the letter.**
2. Did we provide a copy of the letter to the Review – **No.**
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc). – **It was not provided to the Review as AGD did not have this letter.**

Please let us know if you need anything further.

Hi all

We have done some searching in TRIM and have been unable to locate the item. This does not mean it doesn't exist in our systems, just that we have been unable to locate it based on the criteria below:

- Item type MC
- Date of corro 06/11/2008
- Title includes Hizbollah or Hezbollah or Hizbullah

Attached is an extract of a search undertaken in TRIM with the key parameter being "Correspondence Date" of between 01/11/2008 to 15/11/2008 (inclusive) with the following fields extracted:

- Document Number (eg MC number)
- Security classification
- Document Type (eg an MC shell only or a PDF etc)
- Title of item
- Author
- Correspondence Date
- Date Received by Minister
- Date Created
- Date Last Updated
- Size

Do ASIO or another agency have a copy of the letter that we can view to ascertain what other criteria we could search on?

Dear All,

Thank you for your help with this. The letter is referred to at page 9 of the Martin Place Siege Report ([https://www.dpmc.gov.au/sites/default/files/publications/170215 Martin Place Siege Review 1.pdf](https://www.dpmc.gov.au/sites/default/files/publications/170215_Martin_Place_Siege_Review_1.pdf)) which indicates the letter was sent to the Commonwealth Attorney-General (with copies to the then PM, Opposition Leader, Foreign Minister and ASIO).

Katherine has requested that I let her know by the end of today:

1. Do we have a record of the letter on AGD files.
2. Did we provide a copy of the letter to the Review (I understand that the response to this question at this stage appears to be no; but grateful for your confirmation of this)
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc).

I'd be grateful for your help with the above queries. Please let me know if you have any queries or would like to discuss.

Kind regards,

Hi both

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] has advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

We have done some searching in TRIM and have been unable to locate the item. This does not mean it doesn't exist in our systems, just that we have been unable to locate it based on the criteria below:

- Item type MC
- Date of corro 06/11/2008
- Title includes Hizbollah or Hezbollah or Hizbullah

Attached is an extract of a search undertaken in TRIM with the key parameter being "Correspondence Date" of between 01/11/2008 to 15/11/2008 (inclusive) with the following fields extracted:

- Security classification
- Document Type (eg an MC shell only or a PDF etc)
- Title of item

Do ASIO or another agency have a copy of the letter that we can view to ascertain what other criteria we could search on?

Dear All,

Thank you for your help with this. The letter is referred to at page 9 of the Martin Place Siege Report ([https://www.dpmc.gov.au/sites/default/files/publications/170215\\_Martin\\_Place\\_Siege\\_Review\\_1.pdf](https://www.dpmc.gov.au/sites/default/files/publications/170215_Martin_Place_Siege_Review_1.pdf)) which indicates the letter was sent to the Commonwealth Attorney-General (with copies to the then PM, Opposition Leader, Foreign Minister and ASIO).

Katherine has requested that I let her know by the end of today:

1. Do we have a record of the letter on AGD files.
2. Did we provide a copy of the letter to the Review (I understand that the response to this question at this stage appears to be no; but grateful for your confirmation of this)
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc).

I'd be grateful for your help with the above queries. Please let me know if you have any queries or would like to discuss.

Many thanks [REDACTED]. Who would the relevant line area be that we could check with? Are there any action officers listed?

[REDACTED] – I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided – it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department – subject to [REDACTED] note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided -- e.g. author's name, subject of letter etc.

Thanks

Hi [REDACTED]

Further to the below enquiries and following confirmation from [REDACTED] we can confirm that:

1. Do we have a record of the letter on AGD files. **No – even following receipt of the letter from PM&C (attached) we could not locate this letter based on the details in the letter.**
2. Did we provide a copy of the letter to the Review – **No.**
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc). - **It was not provided to the Review as AGD did not have this letter.**

Please let us know if you need anything further.

Hi all

We have done some searching in TRIM and have been unable to locate the item. This does not mean it doesn't exist in our systems, just that we have been unable to locate it based on the criteria below:

- Item type MC
- Date of corro **06/11/2008**
- Title includes **Hizbollah** or **Hezbollah** or **Hizbullah**

Attached is an extract of a search undertaken in TRIM with the key parameter being "Correspondence Date" of between 01/11/2008 to 15/11/2008 (inclusive) with the following fields extracted:

- Document Number (eg MC number)
- Security classification
- Document Type (eg an MC shell only or a PDF etc)
- Title of item
- Author
- Correspondence Date
- Date Received by Minister
- Date Created
- Date Last Updated
- Size

Do ASIO or another agency have a copy of the letter that we can view to ascertain what other criteria we could search on?

Dear All,

Thank you for your help with this. The letter is referred to at page 9 of the Martin Place Siege Report ([https://www.dpmc.gov.au/sites/default/files/publications/170215\\_Martin\\_Place\\_Siege\\_Review\\_1.pdf](https://www.dpmc.gov.au/sites/default/files/publications/170215_Martin_Place_Siege_Review_1.pdf)) which indicates the letter was sent to the Commonwealth Attorney-General (with copies to the then PM, Opposition Leader, Foreign Minister and ASIO).

Katherine has requested that I let her know by the end of today:

1. Do we have a record of the letter on AGD files.
2. Did we provide a copy of the letter to the Review (I understand that the response to this question at this stage appears to be no; but grateful for your confirmation of this)
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc).

I'd be grateful for your help with the above queries. Please let me know if you have any queries or would like to discuss.

Many thanks [REDACTED] Who would the relevant line area be that we could check with? Are there any action officers listed?

[REDACTED] I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided – it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department – subject to [REDACTED] note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided – e.g. author's name, subject of letter etc.

Thanks

Many thanks [REDACTED] Who would the relevant line area be that we could check with? Are there any action officers listed?

[REDACTED] - I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided – it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department – subject to [REDACTED] note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided – e.g. author's name, subject of letter etc.

Thanks

No-one in the Branch has any recollection/knowledge.

I have searched TRIM under all spellings of Hizbollah/Hezbollah/Hizbullah I could identify and could not find anything relevant.

There were, however, a number of documents from around that date relating to [REDACTED]  
[REDACTED]. The area responsible for [REDACTED] issues may be able to assist.

Hi both

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] has advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

Hi Katherine,

Please find **attached** a soft copy of the signed letter to the Senate Standing Committee on Legal and Constitutional Affairs.

In relation to the three queries from earlier today, the letter referred to at page 9 of the Martin Place Siege Report appears to have never reached AGD. There have been a number of searches conducted including TRIM searches of all incoming corro (**attached**); a search under all spellings of Hizbollah/Hezbollah/Hizbullah; a search of the folder of documents provided and a search of the table. Sarah Chidgey has also requested that NSLPD do a further search for any other files, hard copy or otherwise, in NSLPD, where the letter could be (beyond those already searched).

[REDACTED] have provided the answers to your queries below:

1. Do we have a record of the letter on AGD files. **No – even following receipt of the letter from PM&C (attached) we could not locate this letter based on the details in the letter.**
2. Did we provide a copy of the letter to the Review – **No.**
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc). - **It was not provided to the Review as AGD did not have this letter.**

I will keep you updated.

Kind regards,  
[REDACTED]

4 June 2015

Senator the Hon Ian Macdonald  
Chair  
Senate Standing Committee on  
Legal and Constitutional Affairs  
Australian Parliament House  
Canberra ACT 2600

Dear Chair

**Correction to Hansard — proceedings of 27 May 2015**

I write to correct the record of evidence provided to the Senate Standing Committee on Legal and Constitutional Affairs hearing of 27 May 2015.

2. The proof Hansard of proceedings indicates at page 87 that I gave the following evidence:

**Senator JACINTA COLLINS:** *Are you able to tell me whether this correspondence was considered by the review?*

**Ms K Jones:** *It was provided to the review and we considered all the correspondence that was provided to us.*

3. I have since checked my recollections with another colleague on the Review. I have concluded that my recollection was incorrect and related to a separate document. While it is the case that the Review considered all the correspondence that was provided to it, the correspondence raised by Senator Collins was not provided to the Review.

Yours sincerely

Katherine Jones

Hi [REDACTED]

Further to the below enquiries and following confirmation from [REDACTED] – we can confirm that:

1. Do we have a record of the letter on AGD files. **No – even following receipt of the letter from PM&C (attached) we could not locate this letter based on the details in the letter.**
2. Did we provide a copy of the letter to the Review – **No.**
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc). – **It was not provided to the Review as AGD did not have this letter.**

Please let us know if you need anything further.

Hi all

We have done some searching in TRIM and have been unable to locate the item. This does not mean it doesn't exist in our systems, just that we have been unable to locate it based on the criteria below:

- Item type MC
- Date of corro 06/11/2008
- Title includes Hizbollah or Hezbollah or Hizbullah

Attached is an extract of a search undertaken in TRIM with the key parameter being "Correspondence Date" of between 01/11/2008 to 15/11/2008 (inclusive) with the following fields extracted:

- Document Number (eg MC number)
- Security classification
- Document Type (eg an MC shell only or a PDF etc)
- Title of item
- Author
- Correspondence Date
- Date Received by Minister
- Date Created
- Date Last Updated
- Size

Do ASIO or another agency have a copy of the letter that we can view to ascertain what other criteria we could search on?

Regards

Dear All,

Thank you for your help with this. The letter is referred to at page 9 of the Martin Place Siege Report ([https://www.dpmc.gov.au/sites/default/files/publications/170215 Martin Place Siege Review 1.pdf](https://www.dpmc.gov.au/sites/default/files/publications/170215_Martin_Place_Siege_Review_1.pdf)) which indicates the letter was sent to the Commonwealth Attorney-General (with copies to the then PM, Opposition Leader, Foreign Minister and ASIO).

Katherine has requested that I let her know by the end of today:

1. Do we have a record of the letter on AGD files.
2. Did we provide a copy of the letter to the Review (I understand that the response to this question at this stage appears to be no; but grateful for your confirmation of this)
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc).

I'd be grateful for your help with the above queries. Please let me know if you have any queries or would like to discuss.

Many thanks [REDACTED] Who would the relevant line area be that we could check with? Are there any action officers listed?

[REDACTED] – I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided – it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department – subject to [REDACTED] note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided – e.g. author's name, subject of letter etc.

Thanks

Hi both

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] has advised that a letter dated **6 November 2008** from **Hizbullah to the Attorney and other Ministers**. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

**For Official Use Only**

Hi all

We have done some searching in TRIM and have been unable to locate the item. This does not mean it doesn't exist in our systems, just that we have been unable to locate it based on the criteria below:

- Item type MC
- Date of corro 06/11/2008
- Title includes Hizbollah or Hezbollah or Hizbullah

Attached is an extract of a search undertaken in TRIM with the key parameter being "Correspondence Date" of between 01/11/2008 to 15/11/2008 (inclusive) with the following fields extracted:

- Document Number (eg MC number)
- Security classification
- Document Type (eg an MC shell only or a PDF etc)
- Title of item
- Author
- Correspondence Date
- Date Received by Minister
- Date Created
- Date Last Updated
- Size

Do ASIO or another agency have a copy of the letter that we can view to ascertain what other criteria we could search on?

Dear All,

Thank you for your help with this. The letter is referred to at page 9 of the Martin Place Siege Report ([https://www.dpmc.gov.au/sites/default/files/publications/170215 Martin Place Siege Review 1.pdf](https://www.dpmc.gov.au/sites/default/files/publications/170215_Martin_Place_Siege_Review_1.pdf)) which indicates the letter was sent to the Commonwealth Attorney-General (with copies to the then PM, Opposition Leader, Foreign Minister and ASIO).

Katherine has requested that I let her know by the end of today:

1. Do we have a record of the letter on AGD files.
2. Did we provide a copy of the letter to the Review (I understand that the response to this question at this stage appears to be no; but grateful for your confirmation of this)
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc).

I'd be grateful for your help with the above queries. Please let me know if you have any queries or would like to discuss.

Kind regards,

[REDACTED]

Many thanks [REDACTED] Who would the relevant line area be that we could check with? Are there any action officers listed?

[REDACTED] - I just spoke to [REDACTED] who has run a search based on below highlighted parameters and also checked the other spellings [REDACTED] noted below and he could not find anything dated 6 November 2008.

Therefore based on the information provided – it does not appear we provided this correspondence to the Review Team or that we hold this correspondence in the Department – subject to [REDACTED] note below regarding broadcasting by 'Hezbollah'.

However, we are happy to do another search if further information can be provided – e.g. author's name, subject of letter etc.

Thanks

I have searched TRIM under all spellings of Hizbollah/Hezbollah/Hizbullah I could identify and could not find anything relevant.

There were, however, a number of documents from around that date relating to [REDACTED]

Hi both

Further to my previous calls – there is a letter that needs to be located urgently.

[REDACTED] has advised that a letter dated 6 November 2008 from Hizbullah to the Attorney and other Ministers. This was referred to in the Martin Place Siege Review report.

We have checked the index of documents provided to the Review Team and [REDACTED] latest min corro list and correspondence with this date does not appear to be referenced.

Can you both do a search within your respective areas to see if the Department holds this document and confirm whether it was provided to the Review?

[REDACTED] has flagged that Katherine needs this information by 1:30pm today.

Hi

Can I ask that, tomorrow morning, each of you conduct one final search of TRIM, Exec Corro, G drive or anywhere else that you might store documents - including hard copy files - to see if this final document can be located? I am confident that we have conducted an exhaustive search but I would be grateful if everyone can give it one more go.

Thanks

Jamie

To ensure we've searched all possible locations where this letter might be, I'd be grateful for confirmation there aren't any other files, hard copy or otherwise, in NSLPD where the letter could be (beyond those already searched).

Thanks

Hi [REDACTED]

Further to the below enquiries and following confirmation from [REDACTED] – we can confirm that:

1. Do we have a record of the letter on AGD files. **No – even following receipt of the letter from PM&C (attached) we could not locate this letter based on the details in the letter.**
2. Did we provide a copy of the letter to the Review – **No.**
3. If the answer to (2) is no, what was the reasoning for this (i.e. was it on the second page of the table along with the other four, etc). - **It was not provided to the Review as AGD did not have this letter.**

Please let us know if you need anything further.
