**QUESTION NO. 12**

The amount of alcohol that is sold into Kalgoorlie by wholesalers and producers may be available through the State Department with responsibility for Racing, Gaming and Liquor who require Producers, Wholesalers and some Special Facility Licences to submit annual liquor returns. These returns report on annual alcohol production volumes and value of sales.

**QUESTION NO. 13**

Licensed trading hours for takeaway alcohol are prescribed by the State under the Liquor Control Act 1988. From October 201, the DLGSC put in place further restrictions on the Goldfields. These are as follows:

	<b>Liquor Stores</b>	<b>Hotels, Taverns and Clubs</b>
Monday to Saturday	11am to 10pm	11am to 12 Midnight
Sunday	Alcohol cannot be purchased*	11am to 10pm
ANZAC Day	12 noon to 10pm (where ANZAC Day falls on a Monday to Saturday)	12 noon to 10pm

\*Sunday trade is restricted for all non-metropolitan liquor stores.

Liquor restrictions are in place for the Goldfields that also restrict takeaway liquor from being sold as follows:

- In glass bottles of 750ml or more of beer (king browns).
- Fortified wine (i.e. port, sherry) in containers of more than one litre of alcohol.
- In individual containers of more than two litres of liquor with an alcohol content of 6% or more (e.g. wine casks of more than two litres).

In addition to legislated restrictions, AHA WA is aware that some licensed venues with full hotel and tavern licenses permitting takeaway sales have elected not to utilize this part of their licence that sell takeaway liquor.
