

11th March 2011

Submission against the Australian Capital Territory (Self-Government) Amendment  
(Disallowance and Amendment Power of the Commonwealth) Bill 2010

I do not approve of this submission to repeal the provision which enables the  
Governor-General to disallow and recommend amendments to any Act made by the  
Australian Capital Territory Legislative Assembly.

I believe that the Governor-General's empowerment should remain as is.
