

Co-operatives Australia has published this 3rd top 100 list to facilitate greater awareness of the co-operative option and demonstrate the economic and social impact of co-operatives, credit unions and mutual businesses.

Australia's Top 100 Co-operatives, Credit Unions and Mutuals by Annual Turnover

Member Ownership

Co-operatives worldwide operate under the following seven key principles:

1. Voluntary and open membership
2. Democratic member control
3. Member economic participation
4. Autonomy and independence
5. Education, training and information
6. Co-operation among co-operatives
7. Concern for their community

Co-operatives Australia, as the national body for State Co-operative Federations, has compiled the following list of the top revenue generating co-operatives, mutuals and credit unions in Australia to increase the public awareness of the sector. Industries represented in the top 100 list include agriculture, consumer, finance, insurance and purchasing.

Contributions to the list are invited and can be directed to -
