

**Australian Government**

**Department of Infrastructure and Regional Development**

**Supplementary Submission**  
**Inquiry into the role of public transport in delivering productivity outcomes**

Please accept a minor correction to the Department's submission lodged on 30 January 2014.

On page 4, last paragraph pertaining to traffic growth... we stated "representing an additional 4.5% growth each year". This should read "representing an additional 2.7% growth each year".
