Australian Government response to the Parliamentary Joint
Committee on Law Enforcement:

Examination of the Australian Federal Police Annual Report 2015-16

NOVEMBER 2025

Recommendations made in the Examination of the Australian Federal Police Annual Report 2015-2016

Committee Recommendations

Recommendation 1:

The committee recommends that the Australian Federal Police considers including in future annual reports examples of the complaints corresponding to the categories of breaches outlined in Part V of the *Australian Federal Police Act 1979*.

Response:

The Government **notes** this recommendation. However, given the passage of time since the report was tabled, a substantive Government response is no longer appropriate.
