

Roadcraft is a not for profit organisation, located on 57 hectares on the outskirts of Gympie 170 k's north of Brisbane in Queensland employing 5 full time and 12 part time staff.

More than 300 secondary school students attend the Roadcraft Student Driver Course each year, while more than 450 primary school students attend the Roadcraft Road Safety course. 112 Learner and Provisional drivers have already attended the LDC and PDC courses in 2015.

In total more than 1950 road users will attend a Roadcraft course this year.

Roadcraft is the provider of choice for the QAS and also runs 4WD and Caravan Courses.
