

I, John Lambie Frame, Registered Migration Agent, MARN: 0533913
JLF MIGRATION SERVICES

make the following submission to the Senate Standing Committees on Legal and Constitutional Affairs in response to the Senate Inquiry into the Migration Amendment (Regulation of Migration Agents) Bill 2017.

It is with serious concern I read of these amendments and concerned RMAs without a practicing certificate will be forced out of the profession.

What assurances do you intend to implement in the bill to ensure law abiding Registered Migration Agents will not be locked out of the industry?

Yours sincerely,
John Frame.
