

Public Hearing of the Parliamentary Joint Committee on Corporations and Financial Services into the Regulation of auditing in Australia held on 09 December 2019 – Questions on Notice: PwC Australia

Question 4 (Hansard page 89) per Senator O'Neill

Have you ever had any breaches of security in relation to audit work performed by PwC offshore service delivery centres in Kolkata or Manila?

PwC Australia is unaware of any privacy breaches relating to either the Kolkata or Manila offshore service delivery centres relating to the audit work performed by them on behalf of PwC Australia.

Deloitte UK are the auditors of Glencore plc and have held that role since the company was listed. PwC Australia is not the auditor of any company in the Glencore group.
