

Hello Senator Mcallister and the Finance and Public Admin Committee,

Today I received this flyer in my letterbox from a local religious group, which I find to be an offensive response to the (already offensive) plebiscite.

I found a link through social media to this senate inquiry, and I have attached a photo of the flyer. I have the hard-copy if you would like me to post it to your office.

I live in Victoria

Kind regards,
Fiona McCandless
