

**Senate Environment and Communications References Committee
Inquiry into the Triple Zero Service Outage**

Questions on notice

Questions on Notice from Senator Sarah Hanson-Young

Australian Telecommunications Alliance

Please provide any data you hold on the number of calls (mobile and landline) that attempted and were unable to connect to Triple Zero in the last twelve months. Please also provide this information as a percentage of total attempted calls to Triple Zero.

Answer:

The ATA does not hold any such data.
