Questions on notice – TPG Telecom

Questions on Notice from Senator David Pocock

1. Does anyone within your organisation currently hold a sponsored pass to Parliament House?
2. If so, who, and which Member of Parliament sponsors that pass?

Answer:

TPG Telecom is aware of two employees who hold an active sponsored pass for the ‘significant and regular’ business requirement category.

TPG Telecom understands that the Department of Parliamentary Services does not publish pass holder information due to privacy, parliamentary privilege and security considerations.

The current arrangements are established by the Parliament, balancing these considerations. If Parliament were to adopt a different approach, we would of course respect and comply with its wishes.
