Senate Foreign Affairs, Defence and Trade References Committee

Senate committee planning further hearings for its inquiry into the use of anti-malarial drugs in the ADF

The Senate Foreign Affairs, Defence and Trade References Committee is inquiring into the use of the Quinoline anti-malarial drugs Mefloquine and Tafenoquine in the Australian Defence Force.

The committee now has a full complement of members, and is planning further public hearings to receive evidence from more veterans, government departments and medical professionals.

The hearings will be held in Canberra and Melbourne. The hearing dates will be published on the inquiry webpage once they are finalised.

Public committee hearings are broadcast live on the internet at:

www.aph.gov.au/News_and_Events/Watch_Parliament

A written transcript of each hearing is published on the webpage:
