

Hire up

Answers to Questions on notice from public hearing 12 April 2021

In answer to a question from Senator Small regarding 'the average tenure of your employees with the Hireup platform', which was taken on notice by Mr O'Reilly, I provide the following answer:

Of employees who are currently working on the Hireup platform, the average tenure is approximately 1.5 years.

Of all employees who have ever worked on the Hireup platform, the average tenure is approximately 1.1 years.

Please let me know if you require anything further.

Best regards

Liam Caulfield

Senior Public Affairs Manager
