Dear Senator Gallagher

Response to Question on Notice IQ20-000075

Thank you for your letter of 30 June 2020 in relation to issues with the timeliness of and transfer process related to Question on Notice number IQ20-000075.

I asked my Agency's Chief Operating Officer to review this matter, and she has now done so, in conjunction with the Chief Operating Officer of the Department of Social Services.

I am advised arising from that review that gaps have been identified in existing protocols between Services Australia and the Department of Social Services for responding to Questions on Notice in circumstances where there is potential overlap in responsibilities. Joint work is underway between the Department and the Agency to fully resolve those gaps. This will ensure that Questions on Notice are responded to in a timely manner and that where a question needs to be transferred it is done so quickly and in line with the Committee's 15 June 2020 correspondence.

I apologise for any inconvenience that this matter may have caused you.

Yours sincerely
