Committee Secretariat  
Senate Standing Committee on Economics  
Terms of Ref : NRWMF.

Secretary Standing Committee

My name is Bev Baldock.

Fully agree to the proposed bill before the Senate committee.

Proposal for a change to existing law on the  
bill for radioactive waste.

I am a resident of Kimba and this needs to go forward. I fully support the project.  
Economics will be enormous for our Community and the Eyre Peninsula.  
I hope you will include this submission.

Yours Sincerely,  
Bev Baldock  
Kimba. SA
