Online Safety Amendment (Social Media Minimum Age) Bill 2024 [Provisions]**

**IQ24-000100**

**Division/Agency:** DIV - Digital Platforms Safety and Classification

**Hansard Reference:** Spoken (25 November 2024)

**Topic:** Timing of privacy reforms and legislation

**David Pocock asked:**

Senator DAVID POCOCK: We've seen privacy reforms that were recommended as part of the review kicked down the road. Do you have any understanding of whether or not those privacy reforms will be in place by the time that this comes into effect? Or do you have no visibility over the work that AGD is doing?

Mr Chisholm: It's probably a question better directed to Attorney-General's department. We can try and provide some information on notice there, Senator, but I'd hesitate to speak on behalf of that portfolio.

**Answer:**

This is a matter for the Attorney General's Department.
