Inquiry into Insolvency in the Australian construction industry

Public Hearing – 4 November 2015

Questions on Notice

Acting Chair - Senator Doug Cameron asked, Hansard p 18
Senator Canavan asked, Hansard p19

Question

Is there a difference between, and do you have the rate of recoveries to FEG, for the construction industry compared to other industries?

Answer

The comparison of FEG recoveries for entities in the construction industry compared to all industries over the period 2009-10 to 2014-15 is at Table 2.

Table 2

Financial Year	Recovery Rate all other Industries	Recovery Rate Construction	Overall Recovery Rate under FEG and GEERS
2009-10	13%	8%	10%
2010-11	8%	5%	11%
2011-12	10%	14%	11%
2012-13	16%	5%	14%
2013-14	8%	22%	9%
2014-15	5%	14%	8%
6 year Average	**10%**	**11%**	**11%**

Variability arises year to year where there are high recoveries in a small number of cases. For example in 2011-12, $4.6 million was recovered from companies in the construction industry, of which $2.3 million related to only two companies. Had one of these company's dividends been received in 2010-11 or 2012-13 the recovery rate would have been more evenly spread across these years.

Questions on Notice

Acting Chair - Senator Doug Cameron asked, Hansard p 20

Question

Is the department looking into QHY Investments as part of its assessment of Lewton Asset Services under the FEG Recovery Programme?

Answer

FEG is in close contact with the Liquidators in relation to the circumstances around liquidation of Walton Construction (Australia) Pty Ltd and Walton Construction (Qld) Pty Ltd.

The Liquidators are conducting pubic examinations of various individuals across three days in December 2015. The Liquidators will be looking specifically at the circumstances surroundings QHT's role in the transfer of various Walton and Walton QLD contracts.

The department will consider its options under the FEG Recovery Programme when the Public Examination concludes.

A note from the Department of Employment:

This is a data extract of information collected by the Department of Employment in administering claims under the Fair Entitlements Guarantee and General Employee Entitlements and Redundancy Scheme. The Department of Employment does not imply that entities or directors have been or are involved in phoenix activity.
