

Hi

Hope this finds you well. I am answering the email sent by hasa.

1= I love doing home assessments

2=It has affected my live in many ways mostly all good

3= My job is nursing and I gave up shifts to do the assessments

4= I only hope the program continues. I would like to help the underprivileged to save on water and elec

5=I have had a lot of disappointed people as they have not had the report on time to get the loan

6=I have enjoyed my time as an assessor and sad that it might not continue

7= We are out of pocket on this. I only hope some one will come up with answer on how to help with this

8= I am willing to hang in there and see what happens. I do hope it continues

Many thanks for your time
