

Inquiry: Tax Laws Amendment (Public Benefit Test) Bill 2010.

I am an Australian Tax Payer, & I want to add my Strong support for the Public Benefit Test to be applied to any organisation claiming to be a Religion or Charity or similar & are claiming, or wanting to claim a Tax Exemption.

I feel strongly about this **(Public Benefit Test) Bill 2010**, because I have suffered greatly, from these people who hide behind the cloak of a Religion or charity. & as a result I feel they think are untouchable & unaccountable.

I am an ordinary Tax paying Australian, & I am not highly educated enough to write like a Lawyer,

But, this should not stop an ordinary Australian from having their say, on an important topic like this, & having their support count,

I am in favour of the Tax Laws Amendment **(Public Benefit Test) Bill 2010**,
