Committee Secretary  
Senate Legal and Constitutional Committee  
PO BOX 6100, Parliament House  
CANberra, ACT 2600

Dear Sir/Madam

Please seriously consider my submission to your committee for compensation/pedues, regarding the, hurt, humiliation, physical, sexual + emotional abuse I suffered at the hands of the carers at Church of England Girls Home. Havilah House is where I was first at age of 3 yrs, I was an american immigrant <sup>NSW</sup> my mother paid for myself + two brothers to be in care whilst she worked off her passage in being repatriated to Australia, this was in 1951. Being called yankie bastards and beaten, what price do you put on an infants life and well being, what duty of care was there.

Do you understand what it is like to be housebound,

Meet you at The Chifley
