CANBERRA ACT 2600

To the Committee Secretary

RMIT University welcomes the opportunity to make a submission to the Senate inquiry into the draft legislation establishing the *Tertiary Education and Quality Standards Agency* (TEQSA).

The attached submission responds to parts of the legislation that are of particular significance to RMIT, specifically arising from our dual sector and self-accrediting status.

I look forward to the outcomes of the Senate inquiry.

Yours sincerely

Professor Margaret Gardner AO
