Dear Sir/Madam

I write on behalf of Screen Tasmania in response to the Senate Environment and Communications References Committee's invitation to make a submission to the 'Inquiry regarding the Australian Broadcasting Corporation's (ABC) commitment to reflecting and representing regional diversity'.

Screen Tasmania is a part of the Tasmanian Department of Economic Development, Tourism and the Arts and our formal response and views are contained within that submission.

We are most supportive of this inquiry and look forward to engaging further with the Committee and welcome an opportunity to discuss the matters raised in our submission at an appropriate time.

Yours faithfully 

Karena Slaninka
Director Screen Tasmania
