Dear Dr Switkowski,

Answers to Questions on Notice outstanding

I write in regards to questions taken on notice and in writing by NBN Co at public hearings held by the Senate Select Committee on the National Broadband Network on 29 November 2013, 11 December 2013 and 17 December 2013.

The committee notes that the answers to these questions are now overdue by some weeks.

The committee appreciates that NBN Co and the Department of Communications require time to prepare answers to the questions. However, the committee would appreciate the prompt return of the answers.

The committee has an important task in relation to the various reviews of NBN Co, and is helped considerably by access to the information it has sought through questions on notice and in writing.

A copy of this letter has been forwarded to the Minister for Communications, the Hon Malcolm Turnbull MP, and to the Secretary of the Department of Communications, Mr Drew Clarke.

Should you require any further information regarding this matter, or have questions, please contact the Committee Secretary, Mr David Sullivan, on (02) 6277 3538.

Yours sincerely

Senator the Hon Kate Lundy
Chair
Senate Select Committee on the National Broadband Network
