**Question No:** 018

**Reference:** 43

**Question:**

**Mr GEORGANAS:** Is it possible to ask for a breakdown of the industry and retail funds? I recognise the desire not to name, at this point in your investigations, specific funds, but possibly a breakdown?

**Ms Chester:** I'll take that question on notice, thanks.

**Answer:**

- 16 current investigations in relation to retail funds.
  - 6 of these investigations arise from either Financial Services Royal Commission case studies or Financial Services Royal Commission referrals to ASIC.
  
- 5 current investigations in relation to industry funds.
