Thanks for your email

Regarding the 'declared area' provisions under sections 119.2 and 119.3 of the [Criminal Code](#).

1- Mosul (Iraq) as a city is now under the Iraqi Government Control, so it should not be anymore under sections 119.2 & 119.3

2- Sections (119.2 & 119.3) should state: They include any person working with any terrorist group in the areas of conflict

3- sections 119.2 and 119.3 should applies to any person who supports any terrorist activity anywhere in the world (e.g in Australia &/or in Europe !!)
