Australian Government response to the
Senate Committee on Economics report:

National Consumer Credit Protection Amendment
(Mandatory Comprehensive Credit Reporting) Bill 2018
[Provisions]

May 2024

Response to the recommendations

Recommendation 1

The committee recommends that the Australian Government consider expediting its review of financial hardship arrangements.

Australian Government response

The Government **notes** this recommendation. However, given the passage of time since this report was tabled, a substantive Government response is no longer appropriate.
