

***Public Hearing of the Parliamentary Joint Committee on Corporations and
Financial Services into the Regulation of auditing in Australia held on 09 December 2019 –
Questions on Notice: PwC Australia***

Question 9 (Hansard page 97) per Senator O'Neill

What is the range of payments made by PwC Australia to retired partners?

The range of payments is broad but the average payment to retired equity partners who meet the eligibility criteria is \$140,384 per annum.
